

APR 12 1965

## Raborn Named New CIA Chief

Hearst Headline Service  
LBJ RANCH, April 12. —

~~President Johnson has named~~  
retired Rear Adm. William F.  
Raborn Jr., 60, the father of  
the Navy's Polaris missile sys-  
tem, as the new director of  
the Central Intelligence Agency.

The President also promoted  
Richard McGarrah Helms, De-  
puty CIA Director for Plans,  
to be Adm. Raborn's No. 2 man.

John A. McCone, present di-  
rector of the nation's hush-  
hush super spy agency, has  
wanted to return to private  
business.
